Service Termination Request

By completing this form, I authorize Belforest Water System to terminate the water service at the address provided. I acknowledge that I am the account holder for this address and have the authority to cancel the water service. I additionally understand that any and all monies due to Belforest Water system will be deducted from the service deposit on this account.

This form can be submitted in person, mailed to 9080 CO RD 64 Daphne, AL 36526 or emailed to ebills@belforestwater.com

NOTE:

- If your home or business will be vacant, we recommend the service to be terminated on the date of vacancy. If you opt to leave water service on at a vacant home, you will be responsible for ALL water usage.
- Belforest Water will terminate water within 24-48 working hours of date requested. BWS will not be responsible for water usage during that time.
- If account is subject to a refund, it will be mailed to forwarding address provided within 60 days of termination date.
